

Wisconsin Lake Stewardship Awards

The Wisconsin Lake Stewardship Awards are a great way to say thank you to the people who are really making a difference in a lake community. If you would like to support those individuals and groups, through a sponsorship, please contact Barbara St. John at 608.661.4313 or email bstjohn@wisconsinlakes.org.

The Wisconsin Lakes Partnership presents the Lake Stewardship Awards each year at the Wisconsin Lakes Convention to celebrate the outstanding volunteer and professional efforts made to protect and improve our lakes.

The Stewardship Awards represent our best collective effort to pay tribute to all the work that goes into securing a bright future for Wisconsin's lakes. The 2010 Wisconsin Lake Stewardship Award winners and new nominees will be celebrated on March 31, at the Wisconsin Lakes Convention in Green Bay.

There are five Wisconsin Lake Stewardship Award categories to recognize outstanding contributions of time and effort to help our lakes:

Citizen

This category recognizes the many individuals whose actions help protect our lakes and encourage others to do the same. Dedicated local volunteers monitor and learn more about our lakes, work with local governments to ensure that land-use decisions consider the health of lakes and extend a helping hand to neighbors who are interested in protecting the lake they live on.

Organized Group

Many groups, including lake associations, lake districts, county-wide associations and other collaborative efforts, are working to make their lakes clean, safe and healthy for everyone. This category recognizes groups who have organized their members to make positive contributions to lake quality by starting local education or restoration programs, participating in local government decision making, working collaboratively with other organizations or other activities.

Public Service

This category recognizes public officials and employees who are dedicated and committed to helping others learn more about our lakes and making sound lake management decisions.

Youth

This category recognizes young lake leaders or youth groups showing local or regional leadership getting their peers excited about lakes, monitoring and studying lakes and doing lake-related projects.

Business

This category recognizes businesses that have shown outstanding commitment to the ecological health of lakes and assisting lake organizations with the development and implementation of sound lake management plans.
